23	Weighted average GCV of coal as received at station	(kcal/kg)	3695.057		

Note: Weighted Average GCV (as billed) does not include SCCL Coal through Eauction Route "

NSPCL has taken up with SECL for revising its fuel bills and give credit in the bills based on GCV measured by third party w.e.f. July'2015 at the loading end. NSPCL, has requested SECL for reconciliation of month wise payable amounts. Pending reconciliation, NSPCL on its own has provisionally deducted amounts based on the GCV measured by the third party and Final Form-15 accordingly and is thus provisionally giving credit to the beneficiaries. However, based on the settlement of issue with SECL, NSPCL may have to recover above amount from Beneficiaries at a later date.
